

OUR MISSION: The League of Women Voters is a non-partisan political organization that encourages informed and active participation in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy.

We never support or oppose any candidate or political party. We always provide pro and con discussion on ballot and legislative issues and present information based on facts without political or media bias.

We encourage everyone to vote so elected leaders represent the entire community, state and nation.

Membership is open to women and men. Since 1920, the League remains one of the nation's most respected community-based, grassroots organizations. We are unique as we have members of every conceivable political persuasion who believe, support and participate in civil, fact-based, political discussion.
