**2. CHECK YOUR REGISTRATION/PRECINCT LOCATION:** Check your registration to make sure it's up to date and that you know your voting precinct at [VoteOhio.Gov](https://VoteOhio.Gov). **NOTE:** There was a voter purge last fall, and if you did not vote in the primary, this should be your first step.

**3. ABSENTEE BALLOT:** Once you have checked your registration, the Ohio League of Women Voters (and numerous other voting rights groups) suggests you request an absentee ballot immediately. You may print an absentee ballot request at [VoteOhio.Gov](https://VoteOhio.Gov) or you may follow the instructions to prepare a written request. Carefully follow the directions, noting in **Block 6 the date of the election is November 3, 2020 and it is a General Election. Remember to sign and date** and mail to your board of elections. Suggest you include a telephone number or email address in case there is a question about your application.

You may monitor your request at [VoteOhio.Gov](https://VoteOhio.Gov) by scrolling down to **My Election** and clicking on **Track My Ballot**. Double click on your county, and fill in your name.

Applications for absentee ballots **must be received by BOE** by noon on October 31 if by mail or by 2 p.m. the day before the election if in person. (This does not allow sufficient time for the post office to deliver your ballot.)

Absentee ballots returned in person or via a method other than US Mail, must be received by BOE by close of polls on November 3. Absentee ballots returned by US Mail must be postmarked no later than November 2 and received by November 13 to be counted.

Your ballot should include an insert that tells how much postage is required to return.

**4. ABSENTEE/EARLY VOTING begins October 6.** Expect to receive your absentee ballot after October 4. **NOTE:** If you request an absentee ballot and show up at the polls or the BOE on election day, you will be required to file a provisional ballot.
